You'll encounter a wide variety of villains ranging from familiars to some new faces never seen before! You'll also find yourself in an island-wide battle royale as the top ten popular users battle to be crowned the best at ultra violence! Description: A mysterious new power was released into the world, allowing special users to wield incredible abilities. These abilities are as amazing as they are inexplicable, yet they defy explanation. They have their own special names like "Black". A new user has been discovered, she uses a special power to create items with her mind. Her name is Hina and she wields the ability to create guns and swords! The very first user who encountered Hina was a mad scientist. His name is Dr. Vance from the country of Malboria! Description: Hehehehehehe! Ladies and gents, here we go! We have once again taken to the streets of the powerful, multifaceted nation of Russia and are bringing you the greatest variety of sexy characters that have hit the top! From dolls, to busty young babes, to super seductive pixies, to professional wrestlers, to sensual cosplayers, to an army of JAV characters, and much more, we have it all! Description: No matter how hard you try, you're never gonna meet a chick like her. A super sexy girl who will make you think you're dreaming! With her sweet, tender expression and irresistible charm, she's like a cloud of honeys in your virtual reality! She's beautiful from head to toe, with a body that will make you explode! Her "mini-guns" are so much fun! Look out, you'll be shooting in no time! And don't worry, there's plenty of ammo to go around. When her sexy, cute outfit comes off, you'll never want to take your eyes off her! Description: The descendants of the legendary warriors known as the Swordsmen of Legendary Sword, Hamura is at the center of the beautiful, fascinating and mysterious world called Hana. A world filled with miracles and places that would make any legends proud. In Hamura's life, she's seen all kinds of things. She's also experienced a great number of adventures and friendships! For her, the stories are just starting. It's time to meet Hana, and along the way, we'll visit a variety of interesting places like summer resorts and castles! Description: In "Scarlet Hammer," 82157476af
